An Appeal

Dear Members,

With lot of difficulties I have been able to bring out this directory. The names have been arranged as per the initial alphabet in the title as has been done in the central API directory. So it will be easy to find out anybody's name and his membership number. Membership number in API Orissa State Branch (OL) as well as that of the central API (L) has been mentioned. The address given against the name is as per it is available in the state API office till September, 2003. Addresses of many members have been rectified by the personal efforts of the governing body members. But I am sure there will be many more incorrect addresses. I request all the members to inform their latest addresses to the honorary secretary API Orissa state branch for immediate correction in the register and publication in the next edition of the directory.

A membership form has been appended at the end of the booklet. Any physician who has not yet been a member of the state API can use this form in original or its Xerox Copy by sending the form duly filled up with required fees and a copy of the MD / DNB certificate.

The associate members are requested to write to the Hon. Secretary after completion of MD course with a copy of the MD pass certificate to convert them to life members (no extra fees is required).

Thanks.

(Dr. Kashinath Padhiary)
Hon. Secretary,
API Orissa State Branch
